

Patients are Driving Further to Reach Mass General Brigham

12 patients (admissions) traveled 232.3 miles to Massachusetts General Hospital despite 308 closer hospitals.

A probabilistic model of patient zip codes in the Medicare HSAF data reveals that Mass General Brigham brand quality is attracting patients from farther away than expected.

Key Benefit Administrators

A background image showing two women, one Black and one Asian, standing outdoors in a park-like setting with trees. The Black woman on the left is wearing a blue shirt and a grey jacket, gesturing with her hands while talking to the Asian woman on the right, who is wearing a white shirt and a tan jacket.
