

Patients are Driving Further to Reach Northeast Georgia Health System

42 patients (admissions) traveled 106.7 miles to Northeast Georgia Medical Center Gainesville despite 36 closer hospitals.

A probabilistic model of patient zip codes in the Medicare HSAF data reveals that Northeast Georgia Health System brand quality is attracting patients from farther away than expected.

Key Benefit Administrators

A photograph of two women standing outdoors in a park-like setting with trees in the background. The woman on the left is Black, wearing a blue t-shirt and a grey jacket, and is gesturing with her hands while speaking. The woman on the right is Asian, wearing a white t-shirt and a tan jacket, and is listening attentively. The image is overlaid with a dark blue semi-transparent rectangle on the right side, which contains text and icons.
