MARKET LEADER IN PRIVATE LABELED DTE PLANS

Exclusive to KBA Plans:

Integrated Patient Credit Card and Bonus Benefits

SLUHN patients will often receive **cash**,
not bills after care episodes!

- KBA uses innovative supplemental bonus benefits and a no-interest patient credit card to:
 - **Erase deductibles** or sometimes even provide cash back when patients seek care at SLUHN facilities.
 - **Dramatically improve self-pay** rates for patients at SLUHN facilities.
 - **Provide narrow-network steerage** in a PPO plan, so that patients can go elsewhere but rarely will choose to.

SLUHN can offer these new, high-satisfaction benefits to employees as a coverage option (best of all options plan—a broad PPO plan combined with vanishing deductibles for SLUHN care).

KBA currently estimates that Saint Luke's University Health Network has 39% inpatient market share, and 24% outpatient market compared to hospitals/clinics within eight (8) miles of the SLUHN service area.

KBA very conservatively projects this steerage to allow for other partners to be included in the tier 1 level if SLUHN decides.
